FAITH

The "FAITH" wallpaper collection is designed to enhance any space with refined, beautiful finishes. It offers a wide range of designs suitable for diverse interior settings—from hotels, offices, and health-care/welfare facilities to commercial spaces—creating highly attractive environments. In addition to vinyl wallpaper, the collection includes natural-material wallpaper, acoustic-environment materials, and other versatile products. This comprehensive lineup makes FAITH a total wallcovering collection that enhances the value of any space.

Note about Approximate JPMA color (code)

The Approximate JPMA color (code) is shown; however, this is only an approximate match and is not an identical color. The appearance of the color tone may vary depending on the texture of the wallpaper, such as its print, embossing, sheen, and so on. Please check the actual color tone using the samples in the sample book or other physical samples before use. In addition, the color tone may appear different depending on the usage environment such as lighting conditions and viewing angles, or variations between manufacturing batches.
